## 2. COMMUNICATION:

"The International Bureau hereby informs the applicant that due to a technical error which occurred during the processing of the international application at the International Bureau, the designation of San Marino (SM), which was made in the international application, was not published in this international application.

The Patent and Trademark Office (San Marino) has been notified that San Marino was designated in this international application.

We draw your attention to the fact that the International Bureau does not plan to republish the international application in order to include an indication of the designation of San Marino (SM). However, if the applicant intends to enter the national phase in that State, the International Bureau would agree to republish the international application upon a specific request of the applicant.

We apologize for the inconvenience this error may have caused."

2. COMMUNICATION:

The International Bureau acknowledges receipt on 10 February 2005 (10.02.2005) of the Form PCT/RO/134 and a receipt in the case of an original deposit filed together with the international application. However, these indications were not included as part of the description.

The receiving office is requested to draw the applicant's attention to the fact that the national law of certain designated States (in particular JP, KR) requires that the indications furnished under Rule 13bis.3(a)(i) to (iii) be included as part of the description.

Please note that the insertion of these indications into the description will affect the total number of pages of the international application and may require the payment of an additional fee for each sheet of the international application in excess of 30.

In the absence of any response to this communication, the International Bureau will publish these indications in the pamphlet with the following entry on the cover sheet of the pamphlet :

"With (an) indication(s) in relation to deposited biological material furnished under Rule 13bis separately from the description. "
